**NARRATIVE:**

Donald Selman has an extensive adult criminal history that began at the age of 18. His convictions include voluntary manslaughter, assault with a deadly weapon causing great bodily injury, prisoner in possession of a weapon, possession of dangerous weapons, burglary, accessory to assault, multiple cases of possession of a controlled substance, receiving stolen property, under the influence of a controlled substances and failing to report. He has served multiple state prison terms, the longest being a 12 year term for voluntary manslaughter. Selman was released from state prison to the supervision of the Los Angeles County Probation Department on August 5, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2014 after he absconded from post release community supervision (PRCS). Selman qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for receiving stolen property is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
